Honourable Chief guest of today's "be lovable Parents".....

Guest of honour and other distinguished guests, directors and PTA directors of BAV School, Parents, Teachers, Staff and my dear students. I most heartily welcome you all to this 8th Spectacular annual day function of BAV International senior Sec. School. In this auspicious day, graced by your presence, it is my proud privilege and honour to present before you,

My ANNUAL REPORT on BAV School and its Academic activities of 2024 - 2025.

But, prior to that, if I may be excused, like every year I shall take the opportunity of this day to recall before you, when and why Brindavan Anglo Vedic International senior Sec. School came into existence in this region.

Our school was founded on 11th of June, 2015 now there are 1587 students, 60 Teaching Staff and 55 members of Non – Teaching Staff.

AIMS AND OBJECTIVES

Sri Sarguru Sivasamy education trust firmly believes that the education of our youth helps in creating better human society. Thus B.A.V. International Senior Sec. School seeks to impart sound education leading to the spiritual, Intellectual, Physical, Social and Emotional development of the child.

To meet this challenge, we combine formal classroom instruction with a wide range of activities. This enables the student to sustain academic interest, foster their creative talents, develop social awareness and willingness to serve.

Dear Students , Parents and Guardians,

Choosing the right school is an exciting but anxious time . I hope, by visiting BAV and reading this prospectus, you will be re-assured that BAV International academy CBSE is exactly the type of school community provides a safe environments in which students are academically successful and spiritually nourished so that they become well-educated young people with strong moral values . Through this we enable our students to take their place as successful adults in the modern world

Reopen Day

With great enthusiasm and renewed energy, we reopened the **academic session 2024–2025** on **10.06.2024**. The campus once again came alive with the cheerful voices and smiling faces of our beloved students.

Our staff welcomed the children with warmth and joy, creating a positive and encouraging atmosphere for a fresh start. The day marked the beginning of new opportunities, growth, and learning for everyone in our school community.

We seek your continued blessings and unwavering support as we strive to provide the best for our students and guide them towards excellence throughout this academic year.

International Yoga Day 21.06.2024

Celebration of International Yoga Day

As part of our commitment to promoting health and well-being, our institution proudly celebrated **International Yoga Day on June 21st** with great enthusiasm. The event aimed to create awareness about the importance of yoga in maintaining a healthy mind and body, in line with the global initiative to embrace holistic wellness.

The session began with an enlightening introduction to the significance of yoga, highlighting its benefits in enhancing physical fitness, mental clarity, and emotional balance. Under the guidance of experienced yoga instructors, students and faculty members actively participated in various **asanas (postures), pranayama (breathing exercises), and meditation techniques**.

The event not only encouraged participants to incorporate yoga into their daily lives but also reinforced the importance of leading a balanced and stress-free lifestyle. The overwhelming participation and positive feedback from students and staff made this celebration a memorable and meaningful one.

Kamarajar Birthday held on 15th July 2023

THIRU KAMARAJ BIRTHDAY CELEBRATION is held on July 15 – 2024. Day of Great

Leader who brought into public the importance of Education and on that day

observed as a 'Kalvi Valarchi Naal' (Educational Development Day).

The quiz competition aimed to inspire students by enhancing their knowledge of historical, educational, and general awareness topics. Participants actively engaged in the competition, demonstrating enthusiasm and a keen

interest in learning. This event not only celebrated the contributions of Mr. Kamarajar but also reinforced the importance of education in shaping a bright future for our students.

We extend our heartfelt appreciation to all the participants, faculty members, and organizers who contributed to making this event a resounding success.

English Language Club Activities

The English Language Club shoulders the onus of facilitating English language proficiency among students while also fostering a genuine interest in the language and the rich culture associated with it.

Throughout the academic year, the club has been instrumental in creating an engaging and interactive learning environment. In addition to various literary activities such as essay writing, elocution, storytelling, and poetry recitation, the club also organized fun and creative sessions that helped enhance students' confidence, communication, and critical thinking skills.

Activities like word games, role-plays, creative writing challenges, and interactive quizzes provided students with enjoyable yet educational experiences that supported both language development and creative expression.

The English Language Club continues to serve as a vibrant platform where students not only learn the language but also learn to love it. We appreciate the active participation of our students and the sincere efforts of our mentors in making every activity a success.

HINDI ACTIVITIES:

The **Hindi Language Club** actively conducted a variety of enriching activities throughout the academic year, aiming to promote the beauty and versatility of the Hindi language among students.

The club organized events such as **poem recitation, essay writing, slogan writing, and general knowledge quiz competitions in Hindi**, which helped students improve their language skills and confidence. Special recitations of **Kabir Das ke Dohey, Rahim ke Dohey, and Tulsidas ke Dohey** were held to introduce students to the wisdom of these great poets and their contributions to Hindi literature.

Students also enthusiastically participated in **song singing, dance performances, drama plays**, and other cultural activities, all conducted in Hindi, which added a creative and entertaining touch to language learning.

Through these activities, the Hindi Club successfully created an engaging platform for students to express themselves, appreciate the richness of Hindi literature, and strengthen their connection with the language. We commend the dedication of our students and the guidance of our teachers in making these programs a grand success.

TAMIL LANGUAGE CLUB ACTIVITIES:

The **Tamil Club** has been vibrant and active throughout the academic year, aiming to instill a deep sense of pride and appreciation for the Tamil language, literature, and culture among students.

To achieve this, the club organized a wide range of engaging and educational activities. Highlights of the year included **debate competitions, speech contests, Thirukural**

recitation, and a special **Silapathikaram performance**, which brought to life the essence of Tamil epics and heritage. In addition to these, various other cultural and literary events were conducted, allowing students to showcase their talents and deepen their understanding of Tamil traditions. These activities not only enriched the students' knowledge but also helped in developing their confidence, public speaking skills, and creativity. We extend our heartfelt appreciation to all the participants, coordinators, and supporters who contributed to the grand success of the Tamil Club initiatives.

Science Day Celebration and Science Club Activities

To ignite scientific curiosity and foster a spirit of innovation among students, our institution proudly celebrated National Science Day with great enthusiasm. The day commemorates the discovery of the Raman Effect by the legendary physicist Sir C.V. Raman, and serves as a reminder of India's rich scientific heritage.

On this occasion, a variety of engaging activities were organized by the Science Club to encourage students to explore, experiment, and expand their scientific understanding. Highlights of the celebration included science exhibitions, model presentations, poster-making, quiz competitions, and interactive demonstrations. Students showcased their innovative ideas and projects, reflecting their curiosity and enthusiasm for science.

In addition to Science Day, the club conducted several activities throughout the year such as hands-on experiments, nature observations, STEM challenges, and guest lectures by science educators. These programs aimed to develop critical thinking, problem-solving skills, and a love for scientific inquiry. We commend the active participation of our students and the dedicated support of our science faculty in making these events both educational and inspiring.

Independence Day

To commemorate the sovereignty of our Nation,

AS a principal I unfurled the tricolor flag and all in unison sang the National Anthem and expressed the joy of our freedom. As per the central government direction everyone should hoisted our national flag in our homes on 15th of August

2024 is the time to remembered the sacrifices made, the lives lost to feel fortunate to be born in a nation of great heroes.

Mathematics Day Celebration and Activities

To honor the birth anniversary of the great Indian mathematician **Srinivasa Ramanujan**, our school celebrated **National Mathematics Day** with great enthusiasm. The event aimed to highlight the importance of mathematics in everyday life and to inspire students to develop a love for numbers, logic, and problem-solving.

As part of the celebration, a series of engaging and fun-filled activities were organized by the **Mathematics Club**. These included **math puzzles, quiz competitions, mental math challenges, math relay games, poster making on famous mathematicians, and model exhibitions**. Students enthusiastically participated and showcased their creativity, analytical thinking, and team spirit.

In addition to Mathematics Day, the club also conducted regular math-based activities throughout the year to enhance students' numerical skills and logical reasoning abilities in an enjoyable manner.

The celebration not only helped in removing the fear of mathematics but also encouraged students to appreciate the subject's beauty and relevance. We applaud the efforts of all participants and thank our dedicated teachers for their continuous support and guidance.

SPL and ASPL Election

we conducted the SPL and ASPL Election, This School elections are an opportunity for learning through practice. Learning that is central to citizenship education, for leadership and life skills, and that is also challenging and fun to be part of. Students from grade -III to grade – XII went for voting and selecting the SPL and ASPL. The goal of this election is to graduate students with good character, meaning with values of fairness, honesty and trust, ready to take responsibility for their actions and participate in ensuring responsible behavior in wider society.

Our tradition of student elections is valuable practical teaching experiences which are free and fair, collaboration, participation and harmony results.

Our tradition of student elections is valuable practical teaching experiences which are free and fair, collaboration, participation and harmony results.

KG Hand Printing Day

Our little stars from the Kindergarten had a delightful and colorful experience during the Hand Printing Day celebration. This special activity was organized to encourage creativity,

sensory exploration, and fine motor skills among our young learners.

With bright smiles and tiny hands dipped in vibrant paints, the children joyfully stamped their handprints on paper, creating beautiful artwork full of colors and imagination. It was a fun-filled day where each child expressed themselves through art, making memorable impressions—quite literally!

The activity not only brought joy to the kids but also helped in building confidence, coordination, and a love for learning through play. The cheerful participation of our KG students made the event a heartwarming success.

KG Colour Day Celebration – Yellow Colour Day

Our Kindergarten students celebrated Yellow Colour Day with great excitement and joy as a part of the Colours Day Celebration series. The colour yellow, symbolizing happiness, energy, and sunshine, brought a bright and cheerful atmosphere to the entire campus.

Dressed in beautiful shades of yellow, our little ones looked absolutely adorable and vibrant. Classrooms were decorated with yellow balloons, flowers, and creative cut-outs to make the day even more special. Children engaged in various fun-filled activities such as colouring, paper craft, singing rhymes, and object identification, all centered around the colour yellow.

The celebration helped our tiny tots recognize and relate to the colour in a joyful and interactive manner. It was truly heartwarming to see their excitement and active participation, making the event a bright and memorable experience for all.

International Silver Olympiad – Outstanding Achievements

We are **thrilled and proud** to share the exceptional achievements of our students in the **International Level Silver Olympiad**!

Our talented students have brought great honor to our institution by securing the **4th rank at the international level**, a remarkable accomplishment that showcases their academic excellence and commitment. In addition to this prestigious recognition, many of our students have also excelled at the **state and zonal levels**, earning **1st, 2nd, 3rd, and 4th ranks** across various categories.

These achievements are a true testament to the **hard work, dedication, and perseverance** of our students. We also extend our heartfelt appreciation to our **dedicated teachers and staff**, whose consistent guidance and mentorship played a pivotal role in this success.

A special thanks to our **dear parents** for your continued trust, encouragement, and support. Your collaboration has been invaluable in helping our students reach new heights.

Congratulations to all our students, teachers, and parents for this remarkable accomplishment! We look forward to many more such milestones in the future.

Wild Wisdom Global Challenge 2024

Our school was proud to participate in the **Wild Wisdom Global Challenge (WWGC) 2024**, organized by **WWF-India**, as part of our commitment to environmental education and awareness. This prestigious international quiz provided our students a unique opportunity to explore the fascinating world of wildlife, with this year's theme focusing on **Reptiles and Amphibians**.

Students enthusiastically enrolled in the challenge and were provided with a variety of learning materials to prepare, including the **Wild Wisdom Gear Up Series** available through WWF India's digital platform, as well as renowned guidebooks like *The Book of Indian Reptiles and Amphibians* by JC Daniels, *Lizards of the World* by Mark O'Shea, and *The Book of Turtles* by Sy Montgomery and Matt Patterson.

To enhance their knowledge further, students were encouraged to explore additional online resources and actively engaged with WWF's educational updates shared via social media and WhatsApp groups.

The **Classroom Challenge**, held between **July 15 and August 15**, saw enthusiastic participation from students who displayed commendable curiosity, research skills, and awareness about biodiversity. The question paper was shared a day prior to the event, and the challenge was conducted smoothly within our school premises.

This activity greatly contributed to nurturing a sense of environmental responsibility among students and deepened their understanding of wildlife conservation. We extend our gratitude to WWF-India for this enriching and inspiring initiative.

Teacher's day Celebration on 5th Sep 2024

We celebrated **Teacher's Day** on **5th September 2024** with immense respect and gratitude to honour the invaluable contributions of our educators. The day marks the birth anniversary of **Dr. Sarvepalli**

Radhakrishnan, a great teacher and philosopher, and serves as a reminder of the pivotal role teachers play in shaping young minds and building the future of the nation.

The celebration was made even more special by the gracious presence of our **Chief Guest**, the **Mr. S. Charles Sam Rajadurai, ADSP CWC, Kancheepuram District**. His inspiring address highlighted the importance of discipline, dedication, and the influential role of teachers in society. His words served as a source of motivation for both staff and students.

Students expressed their love and appreciation through heartfelt speeches, cultural performances, and creative activities dedicated to their teachers. It was a joyful and emotional day filled with admiration, respect, and celebration of the teaching fraternity.

We thank our Chief Guest, staff, and students for making the Teacher's Day Celebration a memorable and meaningful event.

SAFAL Examination – A Step Towards Competency-Based Education

In alignment with the CBSE guidelines and the vision of the National Education Policy (NEP) 2020, our school successfully conducted the SAFAL (Structured Assessment for Analyzing Learning) Examination for students of Grades 3, 5, and 8.

The NEP 2020 recommends a transformation in the assessment system to promote holistic development and shift the focus from rote memorization to competency-based learning. SAFAL serves as a key tool in this transformation by assessing students on core concepts, application of knowledge, and higher-order thinking skills.

The SAFAL exam aims to track student progress annually and provide diagnostic feedback to schools. The assessment is not meant for determining promotion to the next grade but rather to support schools in enhancing teaching strategies and identifying areas where students may need additional support.

By implementing SAFAL, our school is proud to be part of this progressive step toward building a more meaningful and student-centric education system. We remain committed to fostering critical thinking, problem-solving, and a lifelong love for learning among our students.

Krishna Jayanthi Celebration – Fancy Dress Competition

On the joyful occasion of Krishna Jayanthi, our school organized a Fancy Dress Competition to celebrate the birth of Lord Krishna with devotion and enthusiasm. The event was filled with vibrant energy as children came dressed as little Krishnas, Radhas, and other mythological characters, beautifully representing the spirit of the festival.

The competition provided a wonderful platform for our young learners to express their creativity, confidence, and cultural understanding. The stage was filled with charm and joy as the tiny tots mesmerized the audience with their adorable attire and performances.

To appreciate and encourage their enthusiastic participation, prizes were distributed to all participants, making each child feel special and celebrated. The event was a delightful blend of culture, tradition, and joyful learning, leaving lasting memories for both students and teachers.

Road Safety Awareness Program

We are pleased to share that our school successfully hosted a Road Safety Awareness Program, conducted in collaboration with Young Indian and the Tamil Nadu Transport Department. This important initiative aimed to educate our students about the significance of road safety and promote responsible behavior while using roads.

The program featured interactive sessions and engaging activities designed to make learning both informative and impactful. Students gained valuable insights on:

Road safety rules and regulations

Safe pedestrian practices

Responsible vehicular behavior

Emergency response and basic first aid

The sessions were highly informative and encouraged active participation, helping students understand the importance of staying alert and safe on the road.

We extend our heartfelt thanks to Young Indian and the Tamil Nadu Transport Department for their valuable contribution. We believe that road safety education is a vital life skill, and such programs play a key role in shaping responsible citizens for the future.

Project Display at Sai Ram Engineering College – Academic Innovative Science Project

As part of our Academic Innovative Science Project initiative, our students had the esteemed opportunity to visit and display their science projects at Sai Ram Engineering College Campus. This event provided a valuable platform for our budding innovators to showcase their creativity, scientific thinking, and problem-solving skills.

Students presented a variety of innovative models and experiments that reflected their understanding of core scientific concepts and their application to real-world challenges. The event also included interactions with engineering students and faculty members, offering our students exposure to advanced technological ideas and inspiration for future learning.

This hands-on experience not only boosted students' confidence but also enhanced their interest in science, research, and innovation. It was a proud moment for our school as our students represented their knowledge and potential in a reputed academic environment.

We extend our sincere gratitude to Sai Ram Engineering College for hosting our students and encouraging young minds through such meaningful academic engagement.

SAKSHAM – 2025: Cleaner Environment Through Green and Clean Energy

We are proud to share that our school participated in **SAKSHAM – 2025**, an awareness initiative focused on promoting a cleaner environment through green and clean energy. The program was jointly conducted by The **Hindu Newspaper and Indian Oil Corporation Pvt. Ltd.** as part of their commitment to environmental education and sustainability.

As a part of this initiative, an interactive quiz competition was conducted in our school to engage students and enhance their awareness on topics such as renewable energy, energy conservation, and environmental protection. The quiz sparked curiosity and motivated students to think critically about sustainable living and the importance of clean energy for a better future.

Winners of the quiz were honoured with prizes, recognizing their knowledge and enthusiasm in promoting green practices. The event was both educational and inspiring, encouraging our students to become responsible citizens and future champions of environmental sustainability.

We extend our heartfelt thanks to The Hindu and Indian Oil Pvt. Ltd. for bringing this valuable initiative to our school and for empowering our students with the knowledge to make a difference.

Anti-Drug Awareness Program

As part of the Tamil Nadu Government's initiative to create a drug-free society, our school conducted an **Anti-Drug Awareness Program** to educate students about the harmful effects of drug abuse and the importance of leading a healthy, responsible life.

An **awareness video and message**, officially issued by the **Tamil Nadu Government**, was projected to the students. The content was powerful and thought-provoking, aiming to instill strong values and encourage students to make positive life choices. It highlighted the dangers of drug addiction, its impact on individuals, families, and society, and urged students to stay away from such harmful substances.

This initiative served as a timely reminder for our young minds to stay focused on their goals and avoid negative influences. We thank the **Government of Tamil Nadu** for this impactful campaign and remain committed to promoting a safe and supportive environment for our students.

Demonstration of Innovative Science Gadgets by Dhanalakshmi College of Engineering

We were honored to host a team of **professors and students from Dhanalakshmi College of Engineering** at our school as part of a collaborative initiative to inspire scientific curiosity and innovation among our students.

During their visit, the team conducted an engaging session that featured live **demonstrations of innovative science gadgets and their practical applications**. The interactive session allowed our students to explore modern scientific tools, understand their real-world uses, and gain insights into advancements in technology and engineering.

This hands-on experience sparked interest and enthusiasm among our students, encouraging them to think creatively and consider the endless possibilities within the field of science and technology. The visiting team also answered questions and interacted with students, further deepening their understanding.

We extend our heartfelt thanks to **Dhanalakshmi College of Engineering** for their valuable contribution to enriching our students' learning experience and for nurturing the spirit of innovation and inquiry.

Vijayadashami Admission, Navaratri & Saraswathi Pooja Celebrations

Our school joyfully celebrated **Navaratri**, **Saraswathi Pooja**, and **Vijayadashami**, upholding the cultural and spiritual traditions that mark the beginning of a new journey in learning.

During the **nine days of Navaratri**, each class took turns to **worship the Goddess** with devotion and enthusiasm. Students, along with their teachers, offered **prasadam**, decorated the pooja space, and participated in daily rituals, invoking blessings for knowledge, wisdom, and success.

On **Saraswathi Pooja**, the Goddess of Learning was worshipped with great reverence. The celebration highlighted the importance of education and the divine connection between knowledge and spirituality.

The auspicious day of **Vijayadashami** marked the beginning of a new academic journey for many. A **special Pooja was organized**, and we were delighted to **admit new children into our school** on this sacred occasion. The rituals were conducted with devotion, and the presence of parents, staff, and students added to the significance of the day.

These celebrations created a spiritually enriching and joyful environment, making it a memorable experience for everyone involved.

Karate Yellow Belt Test Report

We are proud to share that our school conducted the **Yellow Belt Test** for students actively participating in the Karate training program under the guidance of our esteemed **Karate Master**. This test marked an important milestone in their martial arts journey, serving as a necessary step for progression to the next level.

The Yellow Belt Test is not only a measure of skill and discipline but also a prerequisite for eligibility in upcoming inter-school and district-level Karate tournaments. Our students demonstrated dedication, focus, and impressive improvement in their techniques during the assessment.

All participating students successfully cleared the test and were awarded **medals, certificates**, and their well-deserved **yellow belts** as a recognition of their hard work and achievement. We congratulate them on this accomplishment and look forward to their continued progress and participation in future competitions.

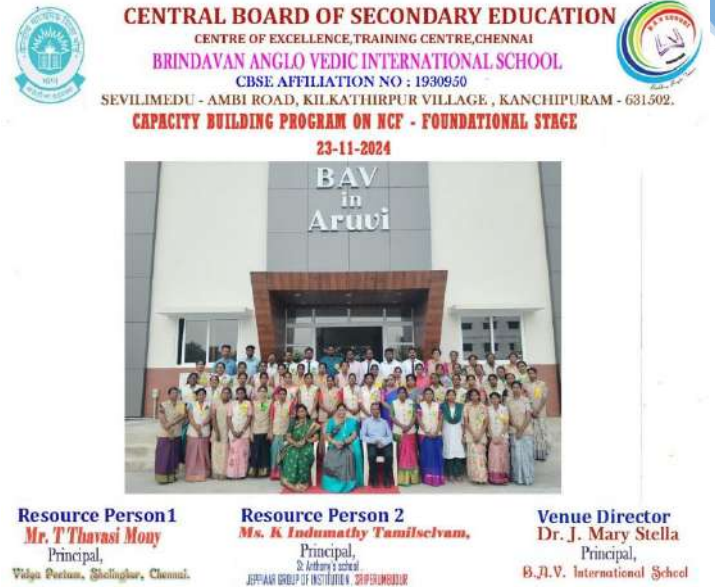

Capacity Building Program of Foundational Stage

As part of our continuous efforts to ensure quality education and professional growth, our school hosted the **CBSE Capacity Building Program of the Foundational Stage** this year. This initiative was designed to enhance the teaching methodologies adopted at the foundational level, aligning with the objectives of the **National Education Policy (NEP) 2020**.

The program, organized under the guidance of the **Central Board of Secondary Education (CBSE)**, provided our teachers with in-depth training focused on the latest pedagogical practices, child-centered learning approaches, and holistic development strategies. Through interactive sessions, workshops, and hands-on activities, educators gained valuable insights and upgraded their skills to effectively cater to the diverse needs of young learners.

Our teachers actively participated in the training, and the experience significantly enriched their understanding of foundational literacy and numeracy, play-based learning, and inclusive education. The program also emphasized the importance of creating a joyful and stimulating classroom environment that nurtures curiosity, creativity, and critical thinking from the early years.

We are proud to report that this capacity-building initiative has greatly empowered our teaching faculty, and we look forward to seeing its positive impact reflected in our classrooms.

State-Level Taekwondo Achievement

We are thrilled to announce that **Master S. Rohit Ram** of Class **VII** has brought great pride to our school by securing **third place** in the **State-Level Taekwondo Competition**!

Rohit's outstanding performance is a reflection of his exceptional talent, unwavering dedication, and consistent hard work. His achievement stands as a shining example of what passion and perseverance can accomplish.

We extend our **heartfelt congratulations** to Rohit and his proud parents for this remarkable accomplishment. His success not only adds to his personal milestones but also brings honor and recognition to our entire school community.

Republic Day Celebration - 2025

We are delighted to inform you that on account of Republic day Our BAV students rendered a spectacular performance at kanchipuram Collector office ground. In that event consisted of various activities where our students achieved best performance and honoured by our district collector

Children's Day Celebration

Children's Day was celebrated with great joy and enthusiasm in our school. The day was filled with fun, laughter, and special moments dedicated to our beloved students.

As a token of love and appreciation, our **teaching staff presented a delightful dance performance**, which was warmly received by the students. Various **fun games and activities** were also conducted, creating an atmosphere of excitement and enjoyment throughout the day.

To make the day even more memorable, the students were taken on a **field trip to Kanchipuram city**, where they explored cultural sites and enjoyed quality time together.

It was truly a joyful celebration that left our students with lasting memories and smiles.

CHRISTMAS CELEBRATION

On 23.12.2024 we, celebrated Christmas in all its joy and happiness.

Christmas brings cheer and love and we celebrated it with the same fervour, spreading the message of love and joy among our children. Our kids enjoyed with the joyful tunes. Even the Santa danced to the exciting tunes followed by Christmas skit. There was candies and gifts were distributed to the students.

Pongal Celebration

The spirit of tradition and festivity came alive as our school celebrated **Pongal** with great enthusiasm and cultural fervor. The campus was filled with joy as both **students and staff came together to mark this special occasion.**

A variety of traditional and fun-filled **games and competitions** were organized, including **flower tying, face painting, kolam poduthal (rangoli drawing),** and **Kabaddi**, reflecting the vibrant culture of Tamil Nadu.

One of the highlights of the celebration was the **preparation of Pongal** by both students and staff, symbolizing unity, sharing, and gratitude. The delicious aroma of the freshly made Pongal added to the festive spirit.

The celebration provided a wonderful opportunity for students to connect with their roots, showcase their talents, and enjoy the essence of the harvest festival.

Sports Day

We conducted the 9th Sports Anno fest on 8th February 2025 (Saturday) at our BAV School premises. That the Program is comprised of a series of sporting activities & Salute the Indian Sports hero's .

On behalf of the BAV INTL SENIOR SEC. SCHOOL, thank you for participating in our 9th Sports Anno Fest. It was a great pleasure to host you at our institution. I appreciate your interest in the well-being of the youth. Your suggestion have

provided us with a guideline to proceed more precisely for the betterment of this noble cause.

Thank you for your time and dedication you gave to this event.

I express my heartfelt thanks to all the BAV Parents who inspired us during this Annual Sports Day. without your support the event

would not have been successful. Once again I extend my thanks to all the parents for being a part of the 8th Sports Anno Fest. Thank you all.

Academic Talent Expo

Academic Talent Expo" was held on 8th of February 2025

We have assembled a talented cast of performers that is delighted you with their performances. There displayed a science models, Maths models English, Tamil & Hindi Models, AI, Puzzle games with moreover academic events.

Fire Safety Awareness Program

A **Fire Safety Awareness Program** was conducted at our school by the **Fire Department**, aiming to educate students and staff on the importance of fire safety and prevention.

The officers conducted **live demonstrations**, showcasing the correct and safe way to handle **firecrackers**, methods to **prevent fire accidents**, and the **guidelines to follow** in case of an emergency. The session was both informative and engaging, helping everyone understand the seriousness of fire hazards and the steps to ensure safety.

This program was a valuable learning experience, equipping our school community with essential knowledge to act responsibly and stay safe during fire-related situations.

KG Convocation

Graduation - is a time to celebrate new beginnings and say goodbye to previous class. It is warm memories of the past and big dreams for the future”.

Kindergarten graduation is an exciting milestone for pre-primary children as it's their first step towards a future full of hopes and possibilities. It marks a new beginning that adds new dimensions to their school life and the journey they begin towards knowledge and education.

To celebrate progression and development, KG wing of BAV celebrate the Graduation Day with a lot of stage activities portraying yearlong learning of the KG - 2 students. To bless students and encourage them to be great learners.

Women's Day Celebration

Our school proudly celebrated **International Women's Day** with great enthusiasm, honoring the achievements and contributions of women from various fields. The event served as an inspiration to our students, showcasing the strength, resilience, and dedication of women in society.

As part of the celebration, we **recognized and felicitated ‘Wonder Women’** who have excelled in different areas such as education, healthcare, social service, and entrepreneurship. Their stories of success and perseverance were truly motivating for everyone present.

We were honored to have **Mr. Ezhil Arasan, MLA of Kanchipuram**, as the **chief guest**, who graced the occasion and **presented mementos and certificates of appreciation** to the awardees. His encouraging words added value to the event and inspired our students to strive for excellence.

The program was a heartfelt tribute to womanhood and a reminder of the powerful role women play in shaping our world.

Upcoming Developments and Future Plans

As part of our continuous efforts to enhance the learning environment and overall development of our students, we are excited to share some of the upcoming initiatives planned for our school.

In the near future, we aim to **implement a turf for the football ground**, providing students with a professional-level playing surface to nurture their sports skills. Plans are also underway to construct a **swimming pool**, which will offer students the opportunity to learn swimming as a life skill and a recreational activity.

To stay ahead in the field of education, we are preparing to introduce **AI-powered teaching tools** and **Technology-Integrated Learning (TML) gadgets** in classrooms. These innovations will help create an interactive and future-ready learning experience for our students.

With these developments, we strive to provide a well-rounded education that supports academic excellence, physical fitness, and technological awareness.

Annual Day Event

Dear Parent The children of the world were cocooned in the confines of their homes for 2-3 long years. Co-curricular activities in the physical school are essentially helping them to grow and evolve in all aspects. Keeping this in mind, we are extending the distinguished opportunity to participate in ‘Annual Day’ to the students of classes Pre KG to XII - STD, to hone their skills and showcase their talents.

Our BAV International Senior Sec.School will slated to celebrate ‘Annual Day’ on the month of March – 2023!

Subject: Heartfelt Thanks for Your Generous Book Donation!

We are writing to express our sincere gratitude for the wonderful story books you donated to our school library on the occasion of your ward's birthday. Your generosity aligns perfectly with our school's mission to foster a love for reading and learning.

Your contribution will undoubtedly enrich our library's collection and benefit our students immensely. We appreciate your thoughtfulness in following our school's instructions and making this thoughtful gesture.

Please know that your support is valued and appreciated. We are grateful for parents like you who partner with us in nurturing young minds.

Thank you again for your kindness and thoughtfulness.

SPL
